

Adverse Childhood Experiences (ACE) Study Publications

(Updated, 5-2003)

Dear Colleague: Attached is a list of publications from the Adverse Childhood Experiences (ACE) Study, plus pending articles. We soon will start analysis of the prospective arm of the Study; this will show the economic consequences in medical care of abusive childhood experiences, on average a half-century earlier. A book for general readership is planned. You may track future publications or read abstracts by entering the National Library of Medicine web site, Pub Med, at <http://www.ncbi.nlm.nih.gov/entrez/query.fcgi> and entering *Felitti* under 'author name'.
